**1ST YEAR
PUPPY PROGRAM
TROOP 19**

Dear Puppies,

I want to take this opportunity to say that Troop 19 is awaiting your arrival. Starting with the Webelos graduation in March, you will have the time of your life.

Why do we call you “puppies” instead of Rising Webelos? We use this term to bring special attention to

those Webelos who are joining us. Just like young puppies, our “puppies” are full of energy, excitement and enthusiasm. Troop 19 welcomes that spirit and wants to make your transition from Webelos to Boy Scouts a great experience.

We welcome you and look forward to many years of fun, adventure, challenges, opportunities and rewards. Scouts and parents alike will become part of the Troop 19 family. The experience is just beginning.

On the first three Tuesdays In February, February 1, February 8 and February 15, the Webelos will be joining the Troop 19 meetings. The Scouts will get a chance to see the troop in action and meet many of the Boy Scouts who will be teaching, training and helping the new Puppies become members of Troop 19. **Meeting times are from 7:00 to 8:30 PM.**

SCOUTS ARE TO ATTEND IN UNIFORM.

I want also to remind parents and Puppies of important upcoming dates.

O. A. Crenshaw Arrowman of the Year Mark Chapman - Troop 19

On December 3, 2010, nearly 175 Arrowmen and guests joined together at Belk Scout Camp to celebrate another successful year of cheerful service. Catawba Lodge had a very successful year, inducting 199 Arrowmen into Catawba Lodge as new members. The Lodge also had a great Brotherhood conversion rate with 100 Arrowmen sealing their membership in the Order of the Arrow. Eight deserving brothers were recognized with the Vigil Honor at Fall Fellowship this past October. By exceeding our positive growth goal for 2010, and successfully completing several other criteria, Catawba Lodge has earned the Quality Lodge distinction for 2010!

School board member and Vigil Honor recipient, Tim Morgan, was the keynote speaker and gave a very inspiring glimpse of how his Scouting experience as a youth has guided him through adulthood. As the program moved into the awards presentations, the following recognitions were presented:

**OA Crenshaw Arrowman of the Year

Warrior Patrol Campout

By William Stephenson

A couple weekends ago the Warrior Patrol went to Camp Grimes to work on the floors and decks of 3 new staff cabins. We worked all day Saturday with no breaks except for lunch but quickly got back to work.

With some help from **Hayden Fox** and **Thomas Stephenson** from the Falcon Patrol, and **Dylan Fox** from the Flaming Arrow Patrol, we finished the floors for three new cabins and we had two Scouts complete their requirements for 2nd Class Scouts: **Thomas Stephenson** and **William Stephenson**.

For Breakfast, we had a hardy meal of oat meal, cereal, hot chocolate, and fruits. For lunch we had sandwiches, chips, and soda. And finally for dinner we ordered piping hot pizza from Domino's Pizza, pepperoni, 2 cheeses, and for Mr. Fox hot wings. The next day we awoke to snow and left early in the morning for Har-dee's. We arrived at the church around 10:00-10:30.

After all this hard work, we now challenge the other Troop 19 patrols to the take their own patrol campouts.

Merry Christmas

Happy New Year

Veterans Day Parade

By Anthony Lorenzo

The troop participated in the salute to our veterans by marching in the Veterans Day parade on November 6, 2010. I was given the honor of serving as the Senior Patrol leader of this trip and I led the Troop and Pack Scouts down Tryon Street in downtown Charlotte with our Aircraft Carrier float just behind us. It was a very nice and cool day, sometimes very cold but everyone had a great time.

We started the day early on as we left the church about 9:15 on the Troop Bus. We had 24 scouts and adults march in the Parade, with some scouts sitting on the aircraft carrier float. We were going very, very slow, so everyone was safe. We walked down the streets with the American flag, Troop flag, and 100th anniversary flag.

Next year, I wish the float will be the troop bus. I would like to thank everyone who came and participated in this parade.

Special Thanks to Mr. Almond for helping get the float out of storage. Also thanks to Mr. McDonnell for pulling the float. Finally thanks to Mr. Lorenzo for organizing the parade for the troop.

Brown Mountain Lights

Mr. Almond, Mr. Fox, Mr. Chapman, Mr. Hartje and the Scouts from the Warrior Patrol went on a patrol trip to Burke County in November. The purpose was to view the Brown Mountain lights. Among many scientific explanations, the lights are explained as geological phenomena that occur when the high tides cause an electrical cur-

rent to flow through the rock formations and appear at the surface.

There are many folk stories of the lights. According to Cherokee Indian legend, the lights are the

spirits of Indian maidens who have continued searching for their husbands and sweethearts killed near the mountain during an ancient battle between the Cherokee and Catawba Indians. Early frontiersman believed the lights were spirits of the Indian warriors slain in that battle.

The Warriors had a GREAT time and it even snowed that weekend!

'Tis the Season...For BBQ?? **TROOP 19 ANNUAL BBQ SALE**

Chip Wildman - BBQ Chair

Ah, yes. While there are visions of sugar plums dancing in some heads this time of year, I have a slightly different taste. With the Super Bowl approaching in February, that means one thing to me; time for the Annual Troop 19 BBQ. Get ready; this year's sale will be on Friday, February 4th.

In three brief years, we've experienced an amazing amount of success with our #1 fundraiser. Each year has sold out, and despite crazy amounts of rain this past year, we doubled our drive-up sales! This tells us that our advertising, and our reputation, are working to grow the event. Scouts will receive their pre sales tickets (15) on Tuesday, December 7th. This will allow for more time to sell these prior to the event. PLEASE treat these tickets just as you would cash! They must all be accounted for when ticket money is turned in on Tuesday, January 25th.

The BBQ fundraiser is critical to the Troop 19 budget. All Scouts need to be active in selling all of their tickets. Remember, we have plenty more. If additional tickets are needed, inquire with any Scout Leader.

One more request; **help!** As we grow, more volunteers are needed throughout the day on Friday. Morning help is needed for food preparation, and afternoon/evening volunteers for sales. Parents; if you are not currently volunteering within the Troop, please consider helping us out on February 4th. Contact me at kwildman@bellsouth.net if interested. While it tends to get a little crazy, we always make it a great time. Remember, our Troop leadership is purely a voluntary group. It takes all of us to maintain such a strong organization, focused on the growth of our sons.

Fishing with Troop 19 at Myrtle Beach, SC

By Nick Zanzot

When I went on the Myrtle Beach trip, I had a great time. I went fishing for about 3 hours but didn't catch anything! While I was fishing I had a great time talking with friends.

When I got bored fishing I went to the arcade with a couple of my friends. We had a great time hanging out together and playing really fun games.

Later in the day, we played some football on the beach while we walked back to the campsite. It was perfect weather to play in.

After we got back to the camp, we hung out for awhile at the park. Later in the day we went to the indoor pool for about 3 hours (it was heated!!!!). We had so much fun with the older guys at the pool. When we were done there we went back to the campsite and had an okay dinner. This camping trip was so much fun and I hope we go back again.

Troop 19 Fishing Trip Myrtle Beach, SC

By Matthew Dahlem

This year's fishing trip went wonderfully. We had a huge turnout and most caught some fish. The people at the pier gave all of us little goodie bags with all sorts of fishing and Myrtle Beach stuff inside.

Saturday night after a nice day of various activities such as swimming and beach combing, the Patrols made dinner. When we were done, it was 'game on!' All the Patrols (excluding Falcon) began their desserts.

Warrior was the only Patrol to bake a cake so the Judge, Teddy Jahns, tasted all the other desserts. When Warrior Patrol was finished preparing their dessert, the Troop died and went to heaven! Warrior stole the show with a beautifully decorated, spirited cake. Everyone enjoyed the dessert competition.

Super Trip 2011 - Washington DC

Troop 19 on the VA Creeper Trail

**By Matthew Dahlem
Virginia Creeper
Trail Camping Trip
Nov. 19-21**

For this year's November camping trip, we visited Virginia and their famous Creeper Trail.

We stayed at a wonderful campsite near the bank of a river. The trees in Virginia sure got the point of Fall - a few boys built a pile of leaves big enough to get lost in! When we

got to Whitetop, we got our bikes but not helmets; they were left at the bottom of the mountain!

While killing time, we hiked down the road a bit. At one point in the road, we saw fallen trees and another about to fall. Soon enough we came to a dam, it was magnificent. It had been there so long it had become another bank.

After lots of pictures we headed back. We goofed around for 5 or so minutes then the helmets were there. Before you knew it we were all racing down the trail and thankfully only about 3 wrecks occurred.

At the bottom we got to kill almost a full hour wandering around the city. Some of us found a delicious pizza place, others stayed at the bike shop. After our time was up, we left for "tent sweet tent." That night the patrols made one pot meals. After a long hard day of pedaling, there is nothing like a hearty bowlful of beef and veggies.

Traveling the Virginia Creeper Trail

Harrison Lowe
Virginia Creeper Trail Nov 2010

I was very excited about the Virginia Creeper Trail Trip. I have never biked down a mountain or biked 17 miles before.

I didn't know what to expect, this was new to me. I didn't know if I could do 17 miles, but it was really easy. I think because it was downhill, it was easier.

Even though I packed the right things it was colder than I originally thought. I'm glad I packed my heavy snow jacket, because the first night was 24 degrees! Make sure you pack a hat or toboggan. I made sure to thank my Mom for the hand warmers!

Some of the things we saw on the trip were also pretty cool. Things like a beaver dam where I could see we

were getting close because I saw a whole bunch of gnarled wood. We also saw a lot of bridges along the bike ride.

There was this dog that followed us 8 miles!

While we were going over one bridge some people were killing chickens and putting them in a smoker.

At the beginning of the 17 miles of the trip I banged up my hand so it was hard to hold onto my handle bars. So much for being prepared - no one had their first aid kit.

Overall, it was a great trip. I would love to go back there some time!

I Loved The Virginia Creeper Trail

By Nick Zanzot

I completely loved the Creeper Trail! I had so much fun spending time with my friends and biking at the same time.

I had already gone to the Creeper Trail 2 months ago with Matt Dahlem. I knew what to expect which made the 17 mile bike ride a little easier.

Even with the long wait for helmets, it was worth the wait.

During the ride, I talked with my friends and sang Christmas songs with Anthony Lorenzo. I was toasty warm on the ride too because I packed gloves and a

hat so that just made it so much better. Even though the leaves had fallen the scenery was still unbelievable.

Since the leaves were on the ground, they were a little

hard to pass but everybody got through them. There were some crashes but nobody got hurt.

I really think everybody had a great time. I hope we can go again because I really enjoyed it and I think the next group of puppies would love it to.

Service at The Oaks

Troop 19 would like to extend our thanks to ASM **Ken Jahns** for his efforts to organize our annual service project at the Oaks.

The Scouts and troop leaders attending the service project did a great job in making the project successful. Troop 19 Scouts did a great job and had a great time singing songs and handing out gifts to the residents living at the center. The even built a human Christmas tree for the residents and the staff of

the center.

The guests had a great time and the Scouts who assisted had a lot of fun while earning service hours to apply to towards the service requirements for their ranks. Well done, Scouts!
